

MINIFORM

Pocket-sized, ultra-slim work light with top flashlight

Multifunctional work light with newest COB LED technology providing up to 200 lumen for the professional user.

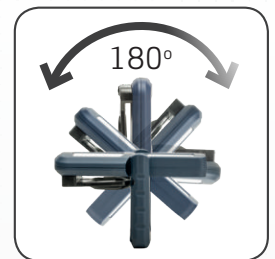

The MINIFORM is rechargeable and in high quality COB LED strip light with top flashlight providing a unique powerful and completely uniform illumination which is ideal for working light.

Ultraslim (only 13mm) - the handy size and shape of the lamp provides a comfortable, ergonomic grip, convenient to carry around in the pocket and always at hand where needed!

MINIFORM is designed for efficient workshop use and can be placed anywhere you want with the strong built-in magnetic holder at the bottom, and all light angles are possible with the retractable suspension hook.

Supplied with a two-step operating option depending on the type and durability of the work carried out: step 1 = 100%, step 2 = 50% light output.

The lamp head is flexible and tilts up to 180 degrees.
