WORK LIGHTS
DESIGNED TO DO THE JOB

PROFESSIONAL RANGE OF WORK LIGHTS WITH UNMATCHED VALUE FOR MONEY

More powerful than ever

Taking advantage of years of experience in developing high-quality work lights, the SCANGRIP LITE products have undergone significant upgrades, using only the technologies that have proven to be the best. Supplied with the highly efficient LED COB technology, the light output of the LITE products has been increased considerably, providing an even better performance. What you get is excellent value for money. Still pure SCANGRIP.

Complete range of work lights

The SCANGRIP LITE range has been extended with a number of sturdy and highly efficient flashlights that everybody needs, comprising a complete and full range of cost competitive work lights for all possible tasks.

Designed to do the job

Whether the task involves being detail oriented or looking at the overall picture, SCANGRIP LITE has got what it takes. Every need for lighting will be met, both in the industry, in the workshop or professionals requiring efficient work light not to mention the passionate amateur enjoying his hobby or anyone in between.

No-nonsense work lights

The design of the SCANGRIP LITE product line is streamlined, functional and user-friendly. All unnecessary features are omitted for the benefit of precise and handy operation providing good quality work lights. The intuitive ready-to-use work light solutions ensure success right from the start.

GO GREEN

ENERGY SAVING
LONG LIFETIME

GO GREEN - A better choice for the climate
SCANGRIP work lights are a choice in a greener direction where the climate impact is minimized on an everyday basis. All our lighting solutions are developed to be energy saving and with a long lifetime.

Whether you compare energy efficiency with traditional technologies or other LED products, you will save energy by choosing a SCANGRIP work light. The LED PERFORMANCE indicates the actual light output of the LED in a SCANGRIP work light and we aim for the highest number to achieve less power consumption compared to other solutions on the market.

Designed by us. Manufactured by us.

// The “ORIGINAL SCANGRIP” symbol is your guarantee that the product is designed, developed and made by SCANGRIP and protected by EU design patent.

High quality

SCANGRIP products are known for high quality with a price-to-quality ratio considered to be the best on the market. We have comprehensive quality check procedures, and we are ISO 9001 certified.

Unique design

SCANGRIP receives strong recognition in the marketplace for unique product design. We are inspired by the concept of Danish design and gather ideas from other industries to create new products that have not been seen before.

Europe’s leading manufacturer

SCANGRIP provides the strongest and most comprehensive range of durable and functional LED work lights and is Europe’s leading and trendsetting manufacturer of work lighting solutions for professionals.

First-mover

SCANGRIP is first-mover and is always two steps ahead when it comes to developing new and innovative LED work lights.

Since 1906

SCANGRIP has manufactured hand tools of very high quality for the industrial and automotive sectors for more than 110 years.

WORK LITE

// Rechargeable, multifunctional hand lamps in slim design

The small (S) and medium-sized (M) WORK LITE hand lamps are no-nonsense, good quality work lights for universal application at a very competitive price.

Compared to the first generation, the WORK LITE hand lamps have been upgraded with the highly efficient COB LED technology that ensures super bright illumination of the work area.

- Ultra lightweight for optimum comfort
- Adjustable light output with stepless dimmer function
- Slim, compact design
- Patented multi-functional SMART CLIP 4-in-1 system

Pull to open for fast and easy use of SMART CLIP functions

pat. pend.

SMART CLIP 4 in 1

With the patented, integrated SMART CLIP 4-in-1 concept the lamp can be positioned in numerous different ways depending on the specific job in question.

// Patented SMART CLIP concept

The WORK LITEs are designed for the professional user who demands functional, practical and user-friendly work lights. The SMART CLIP 4-in-1 system integrates several multi-functions in the same unit. The clip is designed to fit the work belt and carry the lamp, available and at hand when needed for an inspection job.

Flexible positioning of the work light when both hands are needed can be obtained by the strong built-in magnet or by the retractable, turnable hook. Furthermore, the SMART CLIP can be used as a stand on any available surface.

// Ultra lightweight for maximum working comfort

The WORK LITE hand lamps are technically designed to weigh as little as possible in order to provide maximum working comfort. Due to the very low weight it will be comfortable to hold the lamp in your hand for inspection tasks even for a longer period of time. The slim, compact design with round shapes and no sharp edges also makes it comfortable to carry the work light in the pocket a full working day.

// Stepless dimmable

The WORK LITE hand lamps are upgraded with a stepless dimmer function in the range of 10 % to 100 % that enables you to easily adjust the light output to the work task.

STICK LITE

// Universal hand lamps in slim design

STICK LITE is ideal for those who value good, compact design combined with uncomplicated functionality.

Taking advantage of the highly efficient COB LED technology, the new generation of STICK LITEs provides high performance regardless if it is for everyday use or a tough job. With STICK LITE, you are guaranteed optimal brightness and handy design at a fair price.

- Powerful work light with top light function
- Adjustable light output with stepless dimmer function
- Ultra lightweight for maximum working comfort
- Slim and compact design prepared for the pocket
- Strong built-in magnets for handsfree use

EU DESIGN

// Handy work lights with fundamental features

STICK LITEs are rechargeable, powerful work lights with torch light function enabling convenient and precise work. STICK LITEs are recommended for everyone who need universal, sturdy and handheld work lights. The practical built-in magnets allow you to benefit from the bright light of the STICK LITEs and still having both hands free for work.

// Ultra lightweight and compact design

The ultra-thin and compact design with round shapes makes STICK LITE comfortable to carry in the pocket ready at hand for the daily inspection tasks. The slim designed work lights are also optimized in weight to provide maximum working comfort.

// Stepless dimmable

The STICK LITE hand lamps are upgraded with a stepless dimmer function in the range of 10 % to 100 % that enables you to easily adjust the light output to the work task.

HEADLAMPS

// Compact headlamps designed for work

In almost every working situation it is convenient to have both hands free to carry out your work as efficiently as possible. The HEAD LITEs are developed to provide you with such in-dispensable and supportive bright work light.

Compared to the first generation of headlamps, the HEAD LITEs have been upgraded with the highly efficient COB LED technology that ensures optimal illumination of the work area throughout the day.

- Choose between Alkaline and rechargeable model
- Sensor function with touchless on/off switch
- Waterproof (IP54) to resist workshop environment
- High wear comfort with adjustable elastic headband

// High efficient COB LED headlamp NEW

HEAD LITE S is a compact headlamp designed for the professional user who wants a basic headlamp that is easy to operate and applicable for all kinds of working tasks. It is supplied with a stepless dimmer function, and the lamp head is easily adjusted to obtain the optimum work lighting angle.

VEGA LITE - a range of LED floodlights

// Innovative, high performance work lights

The VEGA LITE range consists of 3 high quality floodlights in cool design offering very powerful light output at an attractive price.

- Powerful, diffused, non-blinding illumination
- Durable housing made of highly shock-resistant plastic material
- Rechargeable version with DUAL SYSTEM
- For indoor as well as outdoor use
- No fire hazard due to minimum heat production

ORIGINAL
SCANGRIP

SINCE 1906

// Powerful, diffused LED light

The many powerful LEDs of the VEGA LITE floodlights provide a diffused and pleasant, non-blinding, uniform work light, with a large dispersion.

// Designed for professionals

The lightweight, sturdy and durable housing of the VEGA LITEs is made of a highly shock-resistant plastic material, constructed for use in the demanding working environment. Contrary to traditional halogen work lights heat production is minimal avoiding fire hazard. The stand is made of powder coated steel and can be mounted directly on the SCANGRIP TRIPOD.

// Unique functionality

The VEGA LITE 1500 C+R is with the unique DUAL SYSTEM which means **both** rechargeable **and** with 5m cable providing complete flexibility and unlimited application possibilities.

AREA LITE

// 360° high performance LED work light

- A must-have universal light for any working site
- Illuminates the entire room and working area
- Powerful, diffused, non-blinding illumination
- Durable housing made of highly shock-resistant plastic material

ORIGINAL
SCANGRIP
SINCE 1906

// Illuminating the entire working area

The AREA LITE is a real basic work light especially designed to illuminate the entire room 360° around. The AREA LITE provides a diffused and pleasant, non-blinding, and uniform work light with large dispersion. These features are ideal for the demanding craftsman who requires powerful and efficient illumination of not only larger surfaces but the entire room carrying out any kind of repair, paint or construction work.

// Powerful 360° work light

AREA LITE is very powerful providing 4000 lumen which is more than double light output compared to similar lamps on the market. AREA LITE is extremely sturdy and durable and withstands being dropped.

// Flexible positioning

The AREA LITE can be positioned directly on the workbench or hang in the sturdy hook from any mounting option available. SCANGRIP mounting stands offer completely flexible lighting solutions; the lamp can be mounted directly onto the TRIPOD without any time spent on fastening obtaining a height of up to 3 m. If you need a mobile light that can be moved quickly from place to place the lamp can be mounted directly on the WHEEL STAND.

EU DESIGN
PATENT
4070035

Strong built-in nylon strap with hook for suspension. The strap is also designed as a practical carrying strap

AREA LITE CO

€ 149.90

03.5637

360° work light with 5 m cable and power outlet providing 4000 lumen

More lamps can be connected in a string by the power outlet of the AREA LITE CO and can also be used as power source for various tools and machinery.

STANDS and SUSPENSIONS

ORIGINAL
SCANGRIP

SINCE 1906

// Designed for direct mounting of VEGA LITE, FLOOD LITE, and AREA LITE work lights without bracket. Made of durable and sturdy powder coated steel for both indoor and outdoor use.

// High stability tripod adjustable up to 3 m

The SCANGRIP TRIPOD is indispensable for stationary positioning of the work light for illumination in a specific working area. The SCANGRIP TRIPOD is extendable from only 1.35 m up to 3 m which gives you complete flexibility to position the light in the requested height.

The stable construction of the SCANGRIP TRIPOD makes it safe even when fully extended. To increase safety when in use the cable of the lamp can be fixed in the safety clips placed on each separate leg.

// Wheel stand for mobile positioning of the work light

The SCANGRIP WHEEL STAND is developed for mobile positioning of the work light typically in the workshop. It makes it easy to move the light to where you need it, and at the same time you avoid uncomfortable and heavy lifting from one workplace to the other. When the job is done the stand can easily and fast be put aside.

The SCANGRIP WHEEL STAND is extendable from only 0.7 m up to 1.9 m which gives you complete flexibility to position the light in the requested height. The 3 wheels are sturdy and of high quality and roll easily even on uneven surfaces. 2 of the wheels are lockable to secure a safe and fixed position.

Price	€119.90	€ 99.90	€ 139.90

AREA LITE 360°

	AREA LITE CO
Product number	03.5637
Light source	144 SMD LED
LED performance, lumen/W	168
Luminous flux, lumen	4000
Illuminance, lux@0.5 m	2000
Adjustable light output	No
Beam angle	360°
CRI	Ra > 80
CCT	6500K
Operating time, h	-
Charging time, h	-
Battery	-
Protection class	IP54 / IK07
Impact resistance	1 m
Cable	5 m / 3x1.5 mm ² H07RN-F
Operating voltage AC	220-240V
Charging voltage/current DC	-
Power consumption	Max 65W
Charger incl.	-
Temperature	-10° to +30°C
Dimensions	305 x 199 mm
Net weight	2.95 kg
Price	€ 149.90

All prices are gross prices, VAT exclusive and subject to change without notice, errors and omissions excepted.

SCANGRIP flashlights are tested according to the ANSI/NEMA FL1 standard

// Certified and strictly approved

SCANGRIP's expert staff make sure that our lights meet all standards and regulations. Our work lights are manufactured at our own factories and subject to strict quality controls in full compliance with local regulations. Our lights meet the highest standards and are certified according to EU's regulations, directives, and harmonized standards. We are ISO9001 certified by Bureau Veritas.

// Chargers for all countries

Electrical plugs and voltages differ from country to country around the world. SCANGRIP offers chargers to all country variants worldwide. Go to our website for a complete list of chargers for our rechargeable work lights and all other accessories available.

// SCANGRIP is Europe's leading manufacturer of work lights for professionals providing the strongest and most comprehensive ranges of work lights with the latest LED lighting technology available on the market.

SCANGRIP is innovation from Denmark: All products are designed and developed by SCANGRIP in Denmark and manufactured at our own factories.

SCANGRIP receives strong recognition in the marketplace for its product design, and the products are known for their high quality.

SCANGRIP strives for perfection, and is continuously optimizing and improving light output, battery capacity, design and ergonomics, durability, user-friendliness and functionality. The aim is to set new standards for professional work lights.

SCANGRIP was established in 1906 and has been manufacturing high quality hand tools for the industrial and automotive sectors for more than 110 years.
